

TRAFFIC & ROAD NETWORKS

COMMITTED NEW PROJECTS

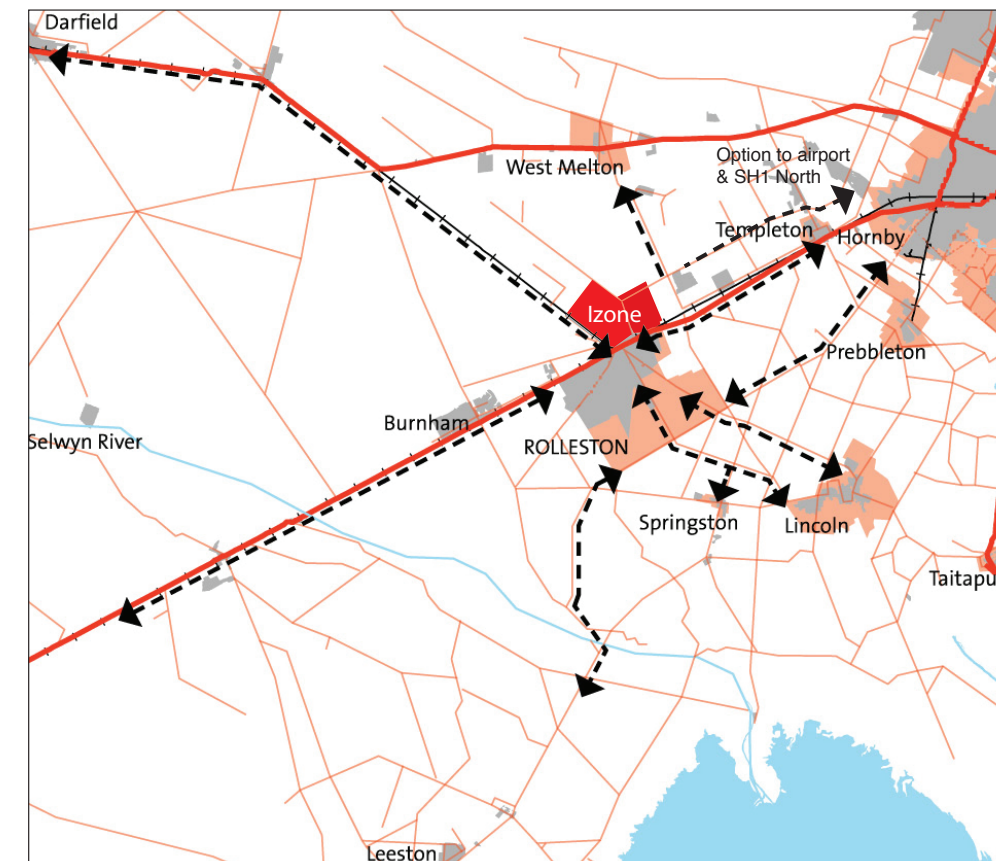

Extensions to the Christchurch Southern Motorway and the 4 laning of Main South Road are committed projects.

Connections are direct and on main traffic routes.

Indicative travel times & distances

A Izone	→	B Russley Road intersection	11 minutes	12km
A Izone	→	C Hagley Park	27 minutes	21km
A Izone	→	D Airport	18 minutes	20km
A Izone	→	E Port	28 minutes	33km

Note: Travel times and distances predate the completion of the Southern Motorway & four laning project

Key Nodes of transportation & Routes Regional Context

----- Feeder roads

Feeder road networks

Hoskyns Road, which provides the connection with SH 1 will be upgraded as an integral part of the stage 6 contract. The pavement will be reconstructed to a width of 9.5m with Kerb and channel both sides. These works have been designed, consented and the contract let.

All other roads in the feeder network are in good condition having encountered minimal impacts from the earthquake events of 2010 and 2011.

Please refer to the diagram above to see the relationship of Izone to the road network.
